Chapter X
The Wages of Sin

GOVERNOR MINTURN
A Labor Novel of the Northwest

By M. H. HEDGES

A Little Lesson in Logic

The Breakdown of a Platonic Utopia
The Field of Labor

The struggle now is one of economic survival for the world's laborers. It is a struggle for existence. The wages of the workers, the world over, must be increased to the point where they can live a decent life. The present system of exploitation is no longer sustainable. The workers must organize and assert their power to demand a fair share of the wealth they create. The future belongs to those who dare to stand up for their rights.

Willimantic Strike
In Sixteenth Month;
Ranks Are Unbroken

The团结 now is one of economic survival for the world's laborers. It is a struggle for existence. The wages of the workers, the world over, must be increased to the point where they can live a decent life. The present system of exploitation is no longer sustainable. The workers must organize and assert their power to demand a fair share of the wealth they create. The future belongs to those who dare to stand up for their rights.

A Glowing Point in History

By J. Ramsay MacDonald

The victory is complete. The workers have won their demand for higher wages. This is a historic moment in the struggle for economic justice. The workers have shown the world that they are a force to be reckoned with. The workers' movement is growing stronger every day.

World Migration
Conference Is Off;
Matteotti Fund Up

DUE TO THE DECLARATION OF THE CONFERENCE, the Matteotti Fund is now being raised. The workers of the world must come together to support the workers of Italy. The Matteotti Fund is a symbol of the unity of the workers' movement. The workers of the world must stand together to defend the rights of the workers.

Labor Doings Abroad

“The End Was a Surrender”

By Henry N. Bunsold

The workers' movement is gaining strength around the world. The workers are fighting back against the bosses. The workers are demanding their rights. The workers are winning. The workers are the future.
